

# Working in the Cloud

Making Personal Records Accessible

*Dr Margaret Kertesz & Prof. Cathy Humphreys*  
University of Melbourne

# The *Who am I?* project – Identity and records

The Life Story Pyramid

**Archivists**  
**eScholarship Research Centre**

**Social Work Researchers**

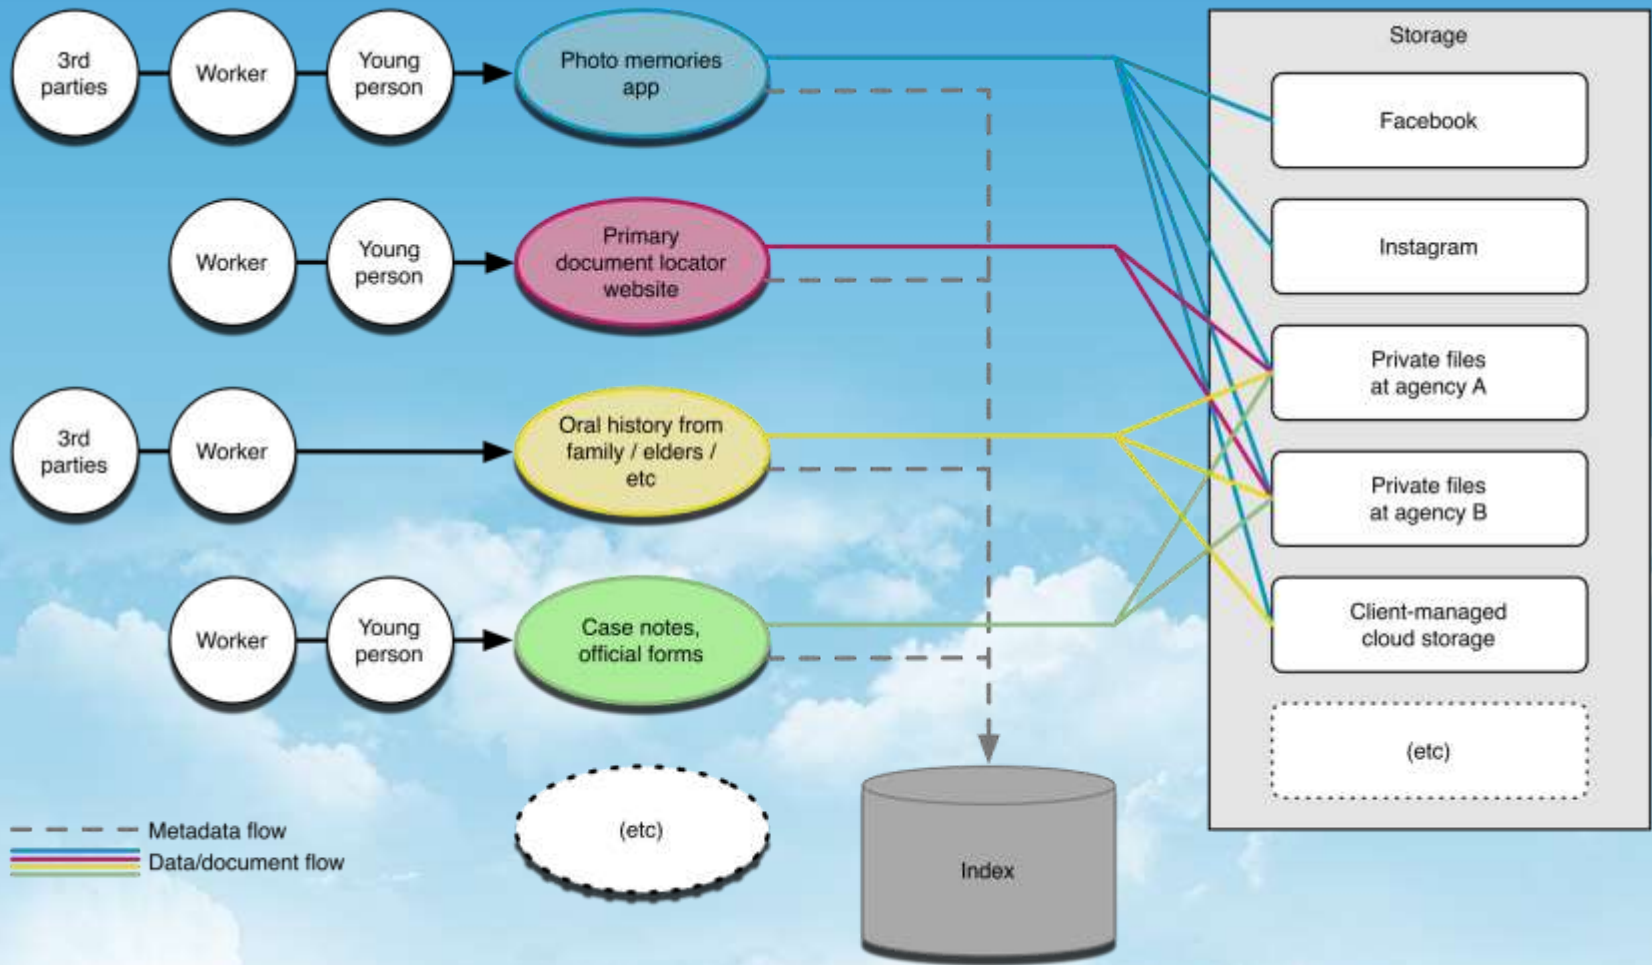

**Computer Scientists**

**Think  
Tank**

**Ethicists**

**Out-of-Home Care  
professionals**

**Young People**

# Ethical Issues

- Young people as co-creators of the record
- Personal control
- Consent
- Legitimate uses of the 'virtual locker'

# Privacy issues

- Data security / Confidentiality
- Who has access?
- ID verification procedure
- When are access rights revoked for adults?

# Archiving Issues

- Server in Victoria
- Archiving Standards
- Sustainability
- Exit Strategy
