

**BUILD
YOUR
VILLAGE
HERE**

*Making the most of local opportunities
for you & your children*

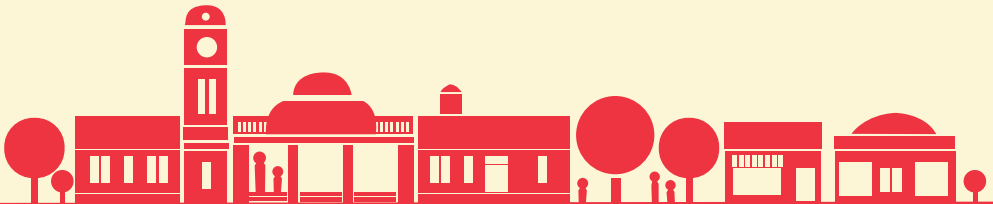

You may have heard it takes a village to raise a child.
You can build your village
by connecting with your local community.

**Being active in your community is good
for you and your child's wellbeing.**

Making friends as an adult can be hard but meeting
people through your children's activities makes it easier.

**Look at yourvillage.yacs.org.au
to see the amazing variety of activities
and opportunities our community
has to offer.**

Our children deserve a safe, healthy
and happy childhood.
