Local activities relating to the third action plan of the  
National Framework of Protecting Australia's Children

2009-2020

Christine Gibson

*Improving the lives of vulnerable children*

# The Child Aware Local Initiative

A national partnership between the Australian Centre for Child Protection and Families Australia

Built relationships

Exchanged information

Supported local action

# **Child Aware Local Initiative actions**

**Advancing children's  
development and wellbeing  
in the first 1000 days**

# **Child Aware Local Initiative actions**

## **Maryborough**

Focus on new parent families

## **Townsville**

Parents' Evaluation of Developmental Status  
training

# **Child Aware Local Initiative actions**

## **Building child safe organisations and environments**

# **Child Aware Local Initiative actions**

## **Katherine**

Children recognised within the NT Domestic Violence Plan. Raised awareness of the impact of bullying via social media

## **Lismore**

Created opportunities for adults to hear children's views about significant local issues

# **Child Aware Local Initiative actions**

## **Seaford**

Adults made aware of children's concerns about safety

## **Geeveston**

Children documented the rights important to them. Their posters assisted community members to see them as rights holders.
